Sarah,

I paged you to let you know that they could only locate two cases of 43900
(Blue), but they do have the 6 cases of 43910
(lt Men). So, each customer will get 1 case of 43900 and 3 cases of 43910. This is apparently everything available.

Therefore, you may have to go and buy revenue product for the party zone this weekend. I don't think one case of the blue will be acceptable.
Thanks, Pat
